Sallie Mae Selects Genesis Security Systems for their New Headquarters in Reston, Virginia

Sallie Mae has selected Genesis Security Systems LLC of Germantown Maryland to design, install and maintain their integrated security system for their new headquarters located in Reston, Virginia. As a fully integrated design, this system will include the following major subsystems: Access Control, CCTV, Digital Photo-ID and Intercom. All CAD drawings including conduit layouts and device locations are being provided by Genesis's Engineering Department.

The new Sallie Mae Headquarters building is 525,00 square feet of commercial space, the 13th largest on-going construction project in the Washington area. When asked why they decided to select Genesis for their new building, Sallie Mae said, "Genesis has demonstrated the ability and commitment to provide both quick service as well as respond to our other needs in an expeditious manner. When they provide consultative advice, we know that it is based on the desire to help us achieve both our operational and budgetary needs."

For more information about Genesis Security Systems and our capabilities and services, please contact Alan Kruglak at 301-515-4400 or akruglak@gensecsystems.com.
